

## Horizon Folding Drawing Table

Sturdy enough for everyday use but quickly folds down for compact storage when not needed. Easily sets up and adjusts to the perfect working height and angle with convenient control knobs. Perfect for the student or designer with limited space. Wide set tubular steel base adjusts from 29" to 45" high. Durable  $\frac{3}{4}$ " melamine top tilts up to 50°; available in 2 sizes. Table folds down to just 6 $\frac{3}{8}$ " for compact storage. Order Base and Boards separately.

| Model | Description | W x D x H                 | Ship Weight |
|-------|-------------|---------------------------|-------------|
| 3961  | Base        | 31 x 27 $\frac{1}{2}$ "   | 22 lbs.     |
| 3950  | Board       | 42 x 30 x $\frac{3}{4}$ " | 29 lbs.     |
| 3951  | Board       | 48 x 36 x $\frac{3}{4}$ " | 40 lbs.     |
